

# YOUR SAFETY, OUR PRIORITY!

- 1 DUAL WINDSCREEN WIPERS**  
Two windscreen wipers are always more efficient than one. This exclusive LIGIER feature guarantees the best wiping capacity on the market: 85 % of your windscreen, well above regulatory standards!
- 2 DISC BRAKES FRONT AND BACK**  
Your Ligier is the only light quadricycle equipped with front and rear disc brakes for enhanced efficiency and bite.
- 3 CERTIFIED HANDLING PERFORMANCE**  
Our Ligier vehicles have been recognised for their handling and dynamic responsiveness, exceeding standards thanks to Ligier's historic expertise in suspension and steering.
- 4 POWER STEERING**  
An exclusive technology that allows more vehicle control. Driving behaviour becomes more dynamic and unwanted jumping due to an uneven road is compensated.
- 5 DAYTIME LED LIGHTS**  
For optimal visibility during the day, the daytime running lights automatically come on whenever the headlights are not in use. LED technology ensures exceptional illumination and low energy consumption.
- 6 FULL LED HEADLIGHTS**  
These headlights enhance your ability to detect the shape and colour of objects on the road at night, helping you anticipate and confidently handle any situation that comes your way.

**EXCLUSIVE!**

**1 + 1 = DUAL WINDSCREEN WIPERS UNBEATABLE VISIBILITY**

Ligier's dual windscreen wiper is the only product on the market capable of covering such a large windscreen surface. Optimal visibility, for maximum safety.

**ENGINE OPTIONS DIESEL REVO D+**

**ECONOMICAL**

- 3.0 l/100 km (WMTC cycle)
- over 550 km of maximum range with its 17-liter fuel tank
- Only 78 g/km of CO<sub>2</sub> emissions

**EFFICIENT**

- Displacement: 499,8 cc
- Torque: 27 Nm from 2000 to 2700 rpm
- Engine power 6 kW constant from 2200 rpm

**ENGINE OPTIONS ELECTRIC**

**HIGH PERFORMANCE**

- 11,04 kWh battery
- **Autonomy up to 159 km\* !**

**0 EMISSIONS, NO NOISE**

- Standard 230V charging socket
- **Noiseless**
- **Eco mode** available

\* Provisional theoretical values according to WMTC cycle
