YOUR SAFETY, OUR PRIORITY!

1

DISC BRAKES FRONT AND BACK

Your Ligier is the only light quadricycle equipped with front and rear disc brakes for enhanced efficiency and bite.

2

CERTIFIED HANDLING PERFORMANCE

Our Ligier vehicles have been recognised for their handling and dynamic responsiveness, exceeding standards thanks to Ligier's historic expertise in suspension and steering.

3

POWER STEERING

An exclusive technology that allows more vehicle control. Driving behaviour becomes more dynamic and unwanted jumping due to an uneven road is compensated.

4

FULL LED HEADLIGHTS

These headlights enhance your ability to detect the shape and colour of objects on the road at night, helping you anticipate and confidently handle any situation that comes your way.
